

# Black Families Education Support Group

**Black Families Education Support Group** provides education activities for young people aged 5-16 who represent minority ethnic groups in Bath and North East Somerset. Activities include creative and performing arts projects, short film workshops, and sports and multimedia activities. We also organise educational trips and career visits.

**The Supplementary School** runs on Saturday mornings and provides tuition for young people who need specific subject support and alternative curriculum around cultural awareness and identity. Young people learn to use media arts equipment to develop skills in filming and editing.

**The Mentoring Scheme** aims to raise the aspirations and achievements of young people from black and minority ethnic groups in schools and colleges. Our mentors come from the local community and are trained to provide one to one support to listen and advise young people.

We can also provide **advice information and support** on racial education issues, around harassment, equality, parental rights, exclusions and appeals.

## Getting involved...

If you are aged over 18 and interested in volunteering with our education programme or assisting in the office then please contact us. If you are interested in being a mentor and would like to join our programme, or receive regular information about our organisation then call us for more details.

Call Michelle or Leah on 01225 827830 for further details.
