Local Authorities from the South West together with the South West Grid for Learning are inviting you to attend the 2010 SWGfL Regional ICT Conferences.

These Conferences have been running for over 10 years and have become vital events for the region, attracting 900 delegates across the two venues and targeting teaching staff, ICT subject leaders, head teachers and school governors.

The Conferences provide an opportunity for delegates to meet some of the biggest suppliers in the Educational ICT industry and, thanks to a host of keynote speakers of international renown, provide an informative insight into best practice and the future of the industry.

Online bookings go live on Monday 19th April 2010. Register now on our mailing list to be notified as soon as the booking system goes live: www.swgfl.org.uk/ictconferences
